T3 MOTION DEMONSTRATES ITS COMMITMENT TO CAMPUS SAFETY WITH T3 SERIES ESV DONATION TO I.A.C.L.E.A. MEMBER ITHACA COLLEGE

T3 SERIES ESV DONATED TO HONOR IACLEA'S 50TH ANNIVERSARY GALA CELEBRATION IN HARTFORD, CT

Costa Mesa, CA (July 10, 2008) - In honor of the 50th Anniversary of the International Association of Campus Law Enforcement Administrators (IACLEA), T3 Motion, Inc. donated one of their flagship electric personal mobility vehicles, the T3 Series, at the IACLEA 50th Anniversary Gala Celebration event on Sunday, June 29, 2008 in Hartford, CT. In a dramatic random drawing by IACLEA Past President Sterling Baker (1962-63), Ithaca College, represented by Associate Director of Public Safety Bill Ferguson, won the T3 Series ESV.

“We are very excited to integrate the T3 into our campus safety patrols here at Ithaca College. At a time when fuel prices are rising, it’s terrific to have an all-electric vehicle like the T3 for our campus,” said Bill Ferguson, Ithaca College Associate Director of Public Safety. “We greatly appreciate the generosity of T3 Motion to donate their vehicle to honor IACLEA.”

“Long ago, we identified IACLEA as one of the most important associations for T3 Motion, Inc. and our T3 Series personal mobility vehicle,” said T3 Motion, Inc. President Neil Brooker. “Our commitment to campus public safety is represented in our donation to this year’s 50th Anniversary of IACLEA. We are thrilled to be working with the team from Ithaca College.”

About IACLEA:

Founded in 1958, IACLEA is an association that advances campus public safety for its more than 1,200 educational institution members and 2,200 individual members by providing educational resources, advocacy, and professional development services. IACLEA is led by a Board of Directors and managed by a professional staff with headquarters in West Hartford, CT.

About Ithaca College:

Ithaca College, founded in 1892, is a private, coeducational college offering undergraduate and graduate programs in business, communications, health sciences and human performance, humanities and sciences, music, and interdisciplinary studies. Ithaca College strives to become the standard of excellence for residential comprehensive colleges, fostering intellect, creativity, and character in an active, student-centered learning community.

About the T3 Series:

Reaching speeds up to 25 m.p.h. and designed with the input of law enforcement and security industry professionals, the T3 Series feature a zero-degree turning radius and compact design—perfect for maneuvering through crowds and tight spaces. Also unique to the T3 Series is the most user-friendly intuitive operation of its kind, giving the rider a sense of superior stability.

The quiet environmentally-friendly zero gas emission vehicles include an integrated LED lighting system and an incomparable low cost of operation—running for less than 10 cents per day and never requiring any down time due to the T3's two re-chargeable, lightweight batteries that can be easily swapped out while in-use for continual deployment and an unlimited range.

T3 Series Features:

- High-performance vehicle with a zero-degree turning radius for improved maneuverability in crowds and tight spaces
- Two rechargeable and interchangeable lightweight power modules for constant use without down time
- Capable of reaching speeds up to 25 m.p.h. for the quickest response possible without officer or personnel fatigue
- An instinctive vehicle with easy-to-operate controls and responsive steering that allows officers and security personnel to focus on response to the situation
- A 9-inch raised platform providing a superior vantage point but still allowing for interaction with the community
- Robust cargo capacity of 450 pounds (rider + equipment) includes the ability to tow personnel and equipment/cargo trailers

Additional T3 Series Features Specific to Law Enforcement and Security:

- Integrated LED lighting system
- Fully-compliant headlights, brake lights and running lights
- Audible siren and yelp horn

- Lockable glove box for storage
- Optional GPS-enabled tracking system
- Optional on-board video camera system
