T3 MOTION PARTNERS WITH I.A.C.L.E.A. TO SUPPORT CAMPUS PUBLIC SAFETY

T3 MOTION BECOMES TITANIUM SPONSOR OF I.A.C.L.E.A. 50TH ANNIVERSARY

WEST HARTFORD, CT (April 26, 2007) – T3 Motion, Inc. has become a Titanium Sponsor Corporate Partner of the International Association of Campus Law Enforcement Administrators, Inc., (IACLEA), under a new program developed to honor IACLEA's 50 years of service and to support initiatives to enhance the ability of campus public safety to protect higher education institutions in the future.

T3 Series on Campus

T3 Motion has pledged a significant donation to support IACLEA's 50th Anniversary and future initiatives. The goals of IACLEA's Corporate Partnership program are to highlight the growth and importance of campus public safety during IACLEA's first 50 years and to support initiatives to strengthen campus public safety and expand its impact on higher education and its service to stakeholders worldwide. IACLEA will celebrate its 50th Anniversary with a series of events, beginning in Las Vegas in 2007 and culminating with its 50th Annual Conference and celebration in Hartford, CT, in 2008.

"T3 Motion is tremendously honored to partner with such a vital and historic international organization as IACLEA," said T3 Motion, Inc. President Neil Brooker. "Campus safety is a topic at the top of many people's minds today and the T3 Series is specifically designed for a huge range of on-campus applications. As an electric vehicle, it not only saves on daily operating costs, it produces no gas emissions."

(more)

T3 Motion, Inc. continues to support IACLEA and the campus public safety profession. IACLEA asks all of its members to thank T3 Motion, Inc. for its support by keeping them in mind for any future assistance they can provide in developing mission critical solutions for campus public safety departments.

IACLEA is an association that advances campus public safety for its more than 1,000 educational institution members and 1,500 individual professional members by providing educational resources, advocacy, and professional development services. IACLEA is led by a Board of Directors and managed by a professional staff with headquarters in West Hartford, CT.

About the T3 Series:

Reaching speeds up to 25 m.p.h. and designed with the input of law enforcement and security industry professionals, the T3 Series features a zero-degree turning radius and compact design—perfect for maneuvering through crowds and tight spaces. Also unique to the T3 Series is the most user-friendly intuitive operation of its kind giving the rider a sense of superior stability.

The quiet environmentally-friendly zero gas emission vehicles include an integrated LED lighting system and an incomparable low cost of operation—running for less than 10 cents per day and never requiring any down time due to the T3's two re-chargeable, lightweight batteries that can be easily swapped out while in-use for continual deployment and an unlimited range.

T3 Series Features:

- High-performance vehicle with a zero-degree turning radius for improved maneuverability in crowds and tight spaces
- Two rechargeable and interchangeable lightweight power modules for constant use without down time
- Capable of reaching speeds up to 25 m.p.h. for the quickest response possible without officer or personnel fatigue
- An instinctive vehicle with easy-to-operate controls and responsive steering that allow officers and security personnel to focus on response to the situation
- A 9-inch raised platform providing a superior vantage point but still allowing for interaction with the community
- Robust cargo capacity of 450 pounds (rider + equipment) includes the ability to tow personnel and equipment/cargo trailers

Additional T3 Series Features Specific to Law Enforcement and Security:

- Integrated LED lighting system
- Fully-compliant headlights, brake lights and running lights
- Audible sirens
- Lockable glove box for storage
- Optional GPS-enabled tracking system

About T3 Motion:

T3 Motion, Inc. revolutionized the world of personal mobility with the introduction of their flagship T3 Series law enforcement vehicles at the International Association of Chiefs of Police conference held in October 2006. Headquartered in Orange County, California, T3 Motion, Inc. is dedicated to raising the bar on environmental standards and law enforcement and security capabilities in personal mobility technology.
