T3 MOTION ANNOUNCES PARTNERSHIP WITH VALOR SECURITY SERVICES

T3 MOTION JOINS FORCES WITH VALOR SECURITY SERVICES TO OFFER T3 SERIES PATROL VEHICLE TO NATIONAL CLIENTS

Costa Mesa, CA (April 11, 2008) - T3 Motion, Inc. today announced it has signed an agreement with Valor Security Services to offer the T3 Series electric personal mobility vehicle to their nationwide clients. The cost-effective, zero gas emission T3 vehicles are purpose-built for security and law enforcement professional applications such as patrols and emergency medical services.

T3 Series Vehicle

Established in 1991, Valor Security Services has quickly grown into a leading security services provider to over 170 retail, mixed-use, and hospitality properties across the America. For the past three years, Valor has been ranked in the Top 20 largest security firms in America. Valor has also been recognized as one of the industry leaders for proactive anti-terrorism programs for retail and mixed-use properties. In fact, Valor's progressive training and services have been certified by the U.S. Department of Homeland Security's "Safety Act."

"We are very excited to partner with Valor to bring the T3 Series vehicle to their clients nationwide," said Neil Brooker, President of T3 Motion, Inc. "The progressive attitude of Valor Security Services is a perfect match for the T3. The all-electric T3 is absolutely ideal for their retail, lifestyle center, and entertainment venue clients throughout the U.S."

About the T3 Series:

Reaching speeds up to 25 m.p.h. and designed with the input of law enforcement and security industry professionals, the T3 Series feature a zero-degree turning radius and compact design—perfect for maneuvering through crowds and tight spaces. Also unique to the T3 Series is the most user-friendly intuitive operation of its kind, giving the rider a sense of superior stability.

(more)

The quiet environmentally-friendly zero gas emission vehicles include an integrated LED lighting system and an incomparable low cost of operation—running for less than 10 cents per day and never requiring any down time due to the T3's two re-chargeable, lightweight batteries that can be easily swapped out while in-use for continual deployment and an unlimited range.

T3 Series Features:

- High-performance vehicle with a zero-degree turning radius for improved maneuverability in crowds and tight spaces
- Two rechargeable and interchangeable lightweight power modules for constant use without down time
- Capable of reaching speeds up to 25 m.p.h. for the quickest response possible without officer or personnel fatigue
- An instinctive vehicle with easy-to-operate controls and responsive steering that allows officers and security personnel to focus on response to the situation
- A 9-inch raised platform providing a superior vantage point but still allowing for interaction with the community
- Robust cargo capacity of 450 pounds (rider + equipment) includes the ability to tow personnel and equipment/cargo trailers

Additional T3 Series Features Specific to Law Enforcement and Security:

- Integrated LED lighting system
- Fully-compliant headlights, brake lights and running lights
- Audible siren and yelp horn
- Lockable glove box for storage
- Optional GPS-enabled tracking system
- Optional on-board video camera system

About T3 Motion:

T3 Motion, Inc. revolutionized the world of personal mobility with the introduction of their flagship T3 Series law enforcement vehicles at the International Association of Chiefs of Police conference held in October 2006. Headquartered in Orange County, California, T3 Motion, Inc. is dedicated to raising the bar on environmental standards and law enforcement and security capabilities in personal mobility technology. For more information on T3 Motion, Inc. and the company's signature T3 Series line of personal mobility vehicles visit www.t3motion.com or call (714) 619-3600.
